

Greetings from
**EXTINCTION
ISLAND**

WHERE THE WILDLIFE IS HUNGRY AND THE CONVICTS THIRST FOR BLOOD

CAZADOR GANG COMPOUND

Old Alegria Ambiente Resort
Mid-Jungle, Costa Rica

Hope your days are filled with more fun activities than running from camouflaged dinosaurs and vengeful serial killers.

It's a strain on my heart, but my legs are in the best shape of my life. Miss you all!

Oakley Laveau
